

EUSci needs you! Accepting applicants for committee positions now

Submitted by admin on Tue, 2011-04-26 11:23

Your chance to play a key role in our dynamic science media family

The nominations for EUSci committee positions are now open. This is a great opportunity to get involved with EUSci, meet new people and have your say in how our society is run. Whether you want to take charge of an aspect of magazine production, or just join the committee to help out and be close to the action, there's something for everyone. Open positions:

- President
- Secretary
- Treasurer
- Seminar officer
- Social and Events Officer
- Publicity and Advertising Officer
- Layout Editor
- ... as well as artists, writers and editors galore!

All you need to do is send your name, matriculation number (if applicable) and the position you want to stand for to euscimag@gmail.com.

If more than one person applies for the position, it will be put to a vote at a committee meeting. If not the position is yours!

The closing date for nominations is the 30th April, we'll arrange a hand-over meeting where the old and new committees can meet each other at a later date.

Regards,

The EUSci Committee.
